EMPLOYEE BENEFITS

Section 1. Eligibility. For the purpose of this section regular employees entitled to employee benefits shall be defined as follows:

A. All certificated bargaining unit members employed prior to December 31, 1996, who work between 19 and 30 hours per week will be eligible for health insurance (including prescription drug) coverage (and are eligible for dental and vision care benefits) on the same terms as full-time employees. Certificated employees hired after January 1, 1997, who work 19 hours or more per week, shall also be eligible for Kaiser only single or family health insurance coverage.

B. Non certificated CTU bargaining unit members who work between 19 and 30 hours per week are eligible for health insurance (including prescription drug) coverage on the same terms and conditions as full-time employees.

C. Employees Holding Two or More Positions. When an employee holds two (2) or more positions the determination of regular status is based on each separate assignment and not on a combined basis.

D. Substitute Health Care Benefits. A substitute will be eligible to purchase health care benefits from the District after five (5) consecutive days in the same assignment. After 60 consecutive days in the same assignment he/she is entitled to full employee benefits. For health care purposes the substitute is eligible to enroll for health care benefits on the sixty-first (61) day in the assignment. He or she must enroll within thirty (30) days of becoming eligible for health care. Coverage is effective on the first of the month following the thirty (30) day enrollment period. A substitute may obtain health care coverage over the summer by assuming the cost of such coverage at the District's COBRA rate. (Article 23, Section 10.)

E. Working Spouse Insurance Coverage

1. ~~Effective January 1, 2011 and except as provided in Sections 7 and 8 below,~~ if a bargaining unit member enrolls his/her spouse in the District's health insurance program and that spouse is eligible to participate (either as a current employee or retiree) in group health insurance sponsored by his/her employer or retirement plan, the bargaining unit member shall pay a contribution of ~~\$5075.00~~ per month in addition to the employee monthly contribution for family coverage set forth in Section 2, below.

2. Upon the spouse's enrollment in his/her employer's healthcare plan or retirement plan, that plan will provide primary coverage for the spouse and the District's plan will provide secondary coverage so long as the bargaining unit member is enrolled in the District family coverage, and the amount set forth in sub-section E.1. above shall not apply.

3. During the open enrollment period, every bargaining unit member who has family coverage which includes a spouse who participates in the District's group health insurance coverage and/or prescription drug insurance coverage shall complete and submit to the District a written declaration verifying whether his/her spouse is eligible to and shall participate in group health insurance coverage and/or prescription drug

insurance coverage sponsored by the spouse's employer or retirement plan provider, effective not later than January 1, 2011.

4. Any bargaining unit member whose spouse becomes eligible for any employer/retirement plan sponsored group health insurance coverage after the open enrollment period shall notify the District within thirty days.

5. If a member submits false information about his/her spouse or fails to timely notify the District of a change in the spouse's eligibility for employer or retirement plan sponsored group health and/or prescription drug insurance coverage, the member may be subject to disciplinary action up to and including termination. In addition, the bargaining unit member shall be personally liable to the District for reimbursement of the costs of benefits and expenses. The bargaining unit member's spouse shall also be immediately terminated from the District's group health insurance and/or prescription drug insurance coverage. Any action taken pursuant to this section shall be subject to Articles 6 and 18.

6. Any spouse who fails to enroll in any group insurance coverage sponsored by his/her employer or retirement plan provider (unless the bargaining unit member enrolls the spouse in the District's plan and pays the \$5075.00 monthly contribution as set for above), as otherwise required by this section, shall be ineligible for benefits under the group health care/prescription drug insurance coverage sponsored by the District.

7. Any bargaining unit member whose spouse is a retired CMSD employee with at least 10 years of full-time service with CMSD and whose spouse is eligible for STRS or SERS health care and/or prescription benefits may elect to cover the spouse as primary. The retired spouse does not have to enroll in the STRS or the SERS health care and/or prescription plan. However, if the retired spouse should become employed, and such employer offers group healthcare insurance, then that spouse and District employee are required to comply with Sub-sections 1 through 6 above.

Section 2. Medical Insurance.

A. Subject to the limitations of Section 1 and Section 2(E), during the enrollment period each year (November), each eligible employee, may elect either single or family coverage from one of the following health care provider plans: Aetna, Kaiser Permanente HMO, Medical Mutual SuperMed Select or Medical Mutual SuperMed Plus. The level of health insurance, prescription drug insurance, dental, and vision coverage provided, or in the case of self-insurance, under the self-insurance program, will be the same as provided on June 30, 2010, unless as otherwise set forth in Appendix T. All pre-existing conditions will be covered unless currently restricted by HIPAA guidelines.

Employees who enroll in either single or family coverage will pay the following employee contributions for Aetna, Kaiser and MMO SuperMed Plus PPO effective August-January 1, 2014: an amount equal to ten percent (10%) of the monthly premium, subject to the following monthly caps: (i) for single coverage - \$75.00; and (ii) for family coverage - \$175.00.

Formatted: Indent: Left: 0.75", No bullets or numbering

C. Self-Insurance. The District may explore and implement self-insurance for any or all components of its health insurance program including medical, prescription, dental, and vision, provided (a) the level of benefits and services set forth in this agreement or any extensions thereof and the respective Certificates of Coverage are equal to or better than those in effect on September 1, 2010; (b) the disruption analysis of the non- Kaiser network of providers and facilities is less than ten percent; (c) the self-insurance network will include both the University Hospitals Health Systems Network and the Cleveland Clinic Health Systems Network; (d) all pre-existing conditions will be covered unless currently restricted by HIPAA. D. Opt-Out Option. During the enrollment period each year, employees will be provided with the option of declining health insurance coverage for the ensuing year. Such elections are irrevocable until the next annual enrollment period. If the employee declines coverage for the year, he/she shall receive two semi-annual payments of \$250.00. These payments will be made in April and October. If the employee elects to change his/her coverage from family coverage to single (but would otherwise be eligible for continued family-coverage), he/she will receive two semi-annual payments of \$125.00, payable in April and October. Any employee who has opted-out and has any change in spousal coverage may be eligible to re-enroll within the current year of employment provided that the employee returns a pro rata share of the payments received pursuant to this Section.

E. Durable Medical Equipment. (Appendix T.)

F. Hard Audit. During the open enrollment period, or earlier if the District and the CTU agree, the District shall have the right to conduct a hard audit requiring employees to produce acceptable documentation to establish eligibility for coverage for the employee as well as any claimed dependents and/or spouse. The required documentation may include, but is not limited to, birth certificates, custody decrees, marriage licenses, working spousal coverage, and/or verification of student status. The CTU and the District have agreed that the District will commence a hard audit prior to the November, 2013 open enrollment period. That process will begin with announcements to employees in September, 2013.

Section 3. Prescription Drug Plan. (Appendix T.)

Section 4. Shared Savings. An employee shall be eligible to receive a payment from the District equal to one-half (1/2) of up to \$500 in savings recovered by the District where the savings result from the identification by the employee of errors in his/her hospital/surgical/medical bills.

Section 6. Dental Plan. (Appendix T.)

Section 7. Blood-Borne Pathogen. The District will follow its blood-borne pathogen exposure control plan when an employee has been involved in an exposure incident.

Section 8. Section 125 Plan.

A. The District shall continue to provide

a "Cafeteria Plan". ~~The existing Plan shall remain in effect through December 31, 2010. Effective January 1, 2011, that Cafeteria Plan will be expanded to which will:~~ (a) allow employees who make employee contributions for health care coverage to elect to do on a pre-tax basis, (b) allow employees to elect to receive additional cash in lieu of Board paid health care coverage (as set forth herein), and (c) allow employees to elect to participate in the dependent care and medical care flexible spending accounts ("FSAs") described in paragraph C below.

B. The Cafeteria Plan will be designed to meet the requirements of Internal Revenue Code ("IRC") Section 125 and applicable regulations. Accordingly, each bargaining unit member will have an opportunity on an annual basis in November to enroll in the Cafeteria Plan. The election to participate may not be revoked during the current plan year unless there is a change in the employee's circumstances that, in accordance with IRC Section 125, permits the employee to change his or her election under the plan (e.g., divorce, death of spouse, change in employment status, a child losing eligibility for coverage, a court order requiring coverage, or other enrollment rights consistent with federal law). Details of the Cafeteria Plan will be provided on an annual basis at the time of enrollment and will also be available through the Human Resources Department.

C. Under the Cafeteria Plan, each employee will be allowed to make a pre-tax "salary reduction" election up to the maximum amount allowable under IRC Section 129 ~~(currently \$5,000 per year)~~, and receive a corresponding credit under a child care/dependent care FSA. Under the dependent care FSA, reimbursement may be received for dependent care expenses described in IRC Section 129.

D. In addition, each bargaining unit member will be allowed to make a separate pre-tax "salary reduction" election up to ~~a the maximum amount of allowed, but in no amount greater than~~ \$10,000 and receive a corresponding credit under a health care FSA. Under the health care FSA, reimbursement may be received for medical (including dental and vision care) expenses (under IRC Section 213) that are not otherwise reimbursable by the health care plans of the District or of another employee.

E. To comply with the requirement of IRC Section 125, the FSAs will each have a 2-1/2 month grace period during which amounts remaining in the FSAs at the end of each plan year can be expended for permissible benefits. However, at the end of the grace period, any remaining amounts will be forfeited.

F. Employees may also elect (on forms prescribed by the District) to pay up to \$50,000 worth of life insurance per year with before-tax dollars through the District's Cafeteria Plan, consistent with applicable federal law.

Section 9. Life Insurance. The District shall underwrite the cost of \$10,000 group life insurance policy for all regular employees. The District also will provide employees with the option of purchasing up to \$150,000 of life insurance through payroll deduction up to the limits of the policies in effect, but not less than \$150,000.

Section 10. Extended Coverage.

A. Automatic Summer Coverage. Both hospitalization/prescription drug and group life insurance protection will be extended into the summer months for covered persons employed in positions which are normally school year active only. This includes personnel as defined in Section 548 of the Administrative Code.

This extended coverage will terminate effective September 1, should the employee fail to return to active payroll status at that time. Any payroll deductions being made for health care/prescription drug and/or group life insurance will be effected on a monthly basis during the school year with a triple deduction being made in June to cover the summer months.

B. Inactive Payroll Status. Health care/prescription drug and life insurance coverage may be continued for any employee who becomes payroll inactive (such as resignation or a leave of absence) as follows:

1. In order to continue health care/prescription drug insurance, the inactive employee will have to pay directly to the District the bill that will be received from the District or its designee.
2. In order to continue life insurance coverage the inactive employee must contact the insurance company and arrange for direct billing within thirty-one (31) days from the last day of active payroll status.

C. Resignation and Retirement.

1. Bargaining unit members who resign after June 15th will continue to receive District-paid health care/prescription drug insurance through August 31 (subject to the conditions set forth in Section 2 herein).
2. Bargaining unit members who retire as of July 1st, will continue to receive paid health care/prescription drug insurance through August 31 (subject to the conditions set forth in Section 2 herein).

Section 11. STRS Payments. The District agrees to pay the employee's share of the payment to the State Teacher's Retirement System (STRS) in accordance with Ohio Attorney General's Opinion 82-097.

The District shall offer the option to purchase STRS/

SERS credit through tax-deferred payroll deduction.

Section 12. Joint Effort for Improvement.

A. The District and the CTU shall work jointly to gain legislation to improve retirement benefits, improve employee benefits, increase state aid, and extend employee benefits to retired teachers.

B. It is hereby agreed that the District and the CTU shall jointly explore, and encourage the receipt of, new sources of District revenue. This will be accomplished through the auspices of the conceptually agreed upon "Joint Committee on Lobbying," and with the inclusion of other interested parties (e.g., members of other employee groups, including CCAS, parent representatives, District representatives, and business/community representatives).

C. A Health Care Subcommittee shall be established with up to five members appointed by the CEO and up to five members appointed by the CTU President. Additional representatives may be invited to attend by agreement of the management and Union representatives. The Subcommittee shall review and make recommendations to the CEO and the CTU President regarding any terms and conditions set forth in this Article, including, without limitation:

- (1) mandatory re-enrollment; (2) selection of a Pharmacy Benefit Manager and review of that vendor's performance; (3) modifications to any portion of this Article that will enhance benefits and/or control costs. Changes could include increased use of mail order prescriptions, drug deductibles, and such other modifications as the Subcommittee may want to consider; and (4) such other matters as the Subcommittee may elect to explore.

Should the Subcommittee propose or recommend a change in any benefit level set forth in this article, the change requires the approval of the CEO and the CTU President.

D. The Health Care Subcommittee, no later than thirty (30) calendar days after the mid-term ~~modifications to the collective bargaining agreement have~~ been ratified by the Union's membership and formally approved by the District's Board, shall meet with all current vendors and explore additional savings, including, without limitation: (i) reviewing with all medical vendors all wellness and disease management programs currently in place that are without additional cost to the District, and mutually agree, which, if any, to pursue; (ii) explore retaining an outside third party wellness provider that will put its entire fee at risk based upon meeting Return on Investment targets (verified by an independent actuary); (iii) review whether restricted formularies or restricted retail networks may be appropriate to implement; and meet with the PBM provider to review and potentially implement by mutual agreement additional programs (step therapy, quantity limitations, mandatory mail order, prior approval protocols); (iv) pursue select and stand alone medical service providers that offer non acute medical diagnostic

procedures, and such other procedures as the Subcommittee deems appropriate, where such providers at lower cost than is performed at a hospital; and (v)(iv) such other initiatives as the parties mutually agree.

Section 13. Legal Defense. The District will continue to comply with Ohio Revised Code Chapter 2744.

Section 14. Certification/Licensure Funding. The District will offer a certification/licensure program as a pilot program. Up to fifty (50) bargaining unit members who decide to seek certification/licensure in a "high need" subject area, as defined by written mutual agreement of the District and the CTU, (e.g., Special Education, science, mathematics and bilingual education) are eligible for the District's certification/licensure program in any given school year. This program provides funding for the cost of obtaining the certification/licensure up to a maximum of five thousand dollars (\$5,000) per employee. To be eligible, the employee must be continuously employed by the District while seeking the certification/licensure and continue in employment for five (5) years after becoming certified/licensed. In addition, if a position within the "high need" area becomes vacant and is offered to the bargaining unit member, she/he must accept the position. The interested employee may apply for assistance in securing the certification/licensure in the high-need area with the District's Professional Development office by filing a Professional Development Plan outlining the proposed course of study to obtain the certification/licensure, including a proposed timeline for completion. If accepted, the employee will be provided funding, up to one thousand two hundred and fifty dollars (\$1,250) (less any applicable taxes) for each quarter of the certification/licensure program. Should the bargaining unit member not continue to progress toward completion of the program leading to the additional certification/licensure, or should the bargaining unit member leave employment with the District less than 5 years after receiving the additional certification/licensure, the teacher will be obligated to repay all monies received, either through a deduction from his/her paycheck(s) or other legal means.

Section 15. Mileage. All bargaining unit members who are required to travel on school business (excluding travel to and from home) as part of their job responsibilities will receive the Internal Revenue Service mileage rate in effect at the time of travel. Bargaining unit members who choose to accept a second District position (for example, regular classroom

Formatted: Font color: Auto

teachers who accept adult education positions) are not eligible for mileage when traveling from the primary position to the additional position.

Section 16. Parking Expenses. The District shall provide a monthly parking pass during working months to any CTU bargaining unit member involuntarily assigned to the Lakeside Administration Building as their primary assignment. Bargaining unit members who are reassigned to the Administration Building on an emergency basis will be reimbursed for parking expenses incurred while assigned to the Administration Building if no discipline results.

MATTERS RELATING TO WAGES AND BENEFITS

Section 1. Mutual Agreement for Various Compensations in CTU Bargaining Unit.

The Union and the District shall meet and discuss any compensation involving members of the CTU bargaining unit, including differentials or bonuses or incentive plans in an attempt to reach agreement.

Section 2. Wages and Other Compensation.

A. Effective with the 2013-2014 school year, all employees will receive a four percent (4%) increase in their base salary. There will be no adjustment for movement on the index (vertical or horizontal movement) for classroom teachers or related service providers ("RSPs"). Classroom teachers will be placed on or between a level within a tier on the career pathway that reflects their adjusted compensation and licensure level per the Cleveland Differentiated Compensation Salary ("CDCS") Schedule, contained in Appendix _____. Related service providers new to the District will be compensated pursuant to Appendix A in the 2010-2013 Agreement plus four percent (4%). All salary schedules in this Agreement, excluding differentials, shall likewise be increased by four percent (4%). [insert new section in Appendix governing long term sub compensation per agreement]

B. Paraprofessionals will receive a four percent (4%) increase in the employee's base salary. Paraprofessionals will continue to be compensated in accordance with the classified salary schedule and their base salary will be adjusted to reflect the value of ten holidays which will be discontinued effective with the 2013-2014 school year.

Formatted: Highlight

Effective July 1, 2013, there shall be an across the board increase of 4% on base wages, which is reflected on all steps of the teachers salary schedule; the per-diem rate for substitutes; the miscellaneous rates for Hourly Teachers (with the exception of Night School Teachers and Home Tutors) and Adult Education Teachers; and the classified salary schedules for bargaining unit members.

C. Any teacher hired on or after July 1, 2013 will be placed the CDCS Schedule based on procedures as outlined by the CDCS Joint Oversight Committee.

Except as provided in section a. below, effective July 1, 2008, there shall be an across the board increase of 3% on base wages, which is reflected on all steps of the teachers salary schedule; the per-diem rates for substitutes; the miscellaneous rates of pay for Hourly Teachers (with the exception of Night School Teachers and Home Tutors) and Adult Education Teachers; and the classified salary schedules for bargaining unit members.

a. This increase is contingent upon the district continuing to receive in fiscal year 2009 no less than the amount of monies in total state foundation aid (not including pre-school and special education transportation) as received in fiscal year 2007 as stated in line 22 of the 2007 SF 3. If the District notifies the Union President no later than January 15, 2008 of the reduction in total state foundation aid (not including pre-school and special education transportation), the increase shall not apply and the District and the Union shall reopen negotiations for all matters except subcontracting, as found in Article 22, and insurance benefits as found in Article 29 (including

health insurance, dental, vision, prescription coverage, and life insurance). In such case, the parties shall immediately commence negotiations and the impasse procedure in Article 31 shall apply and the provisions of Article 29 section 1(E) (i.e., Working Spouse) shall expire effective January 1, 2009.

D. Except as provided in section a. below, effective ~~Effective~~ with the 2015-2016 school year, there shall be an across the board increase of one percent (1 %) for all employees. Likewise the CDCS Schedule, as well as all other salary schedules, excluding differentials, shall be increased by one percent (1 %).

~~July 1, 2009, there shall be an across the board increase of 3% on base wages, which is reflected on all steps of the teachers salary schedule; the per diem rates for substitutes; the miscellaneous rates for Hourly Teachers (with the exception of Night School Teachers and Home Tutors) and Adult Education Teachers; and the classified salary schedules for bargaining unit members.~~

a. This increase is contingent upon funds sufficient to support the rates. If the District notifies the Union President no later than March 1, 2009, or such later date as mutually agreed, that there are not sufficient funds to support these wage rates, the increase shall not apply and the District and the Union shall reopen negotiations for all matters except subcontracting, as found in Article 22, and insurance benefits as found in Article 29 (including health insurance, dental, vision, prescription coverage, and life insurance). In such case, the parties shall immediately commence negotiations and the impasse procedure in Article 31 shall apply and the provisions of Article 29 section 1(E) (i.e., Working Spouse) shall expire effective January 1, 2010.

E. Extended Day/Extended Year

Any certificated/licensed bargaining unit member working over the normal 185 day school year shall be paid for each extended day at their 2012-2013 per diem rate. If the extended day is solely for professional development, the employee shall be paid at the 2012-2013 Instructor In-Service Rate. Beginning with the 2014-2015 school year, these rates may be modified by the JOC.

Any certificated/licensed bargaining unit member working over the normal 440 minute school day shall be paid for the extended minutes at their 2012-2013 per diem rate. Beginning with the 2014-2015 school year, this rate may be modified by the JOC.

Any certificated/licensed bargaining unit member whose worksite included an extended day during the 2012-2013 school year will be given a hold-harmless payment equivalent to the compensation for the additional minutes worked in the 2012-2013 school year less the amount they will receive for the additional minutes outside the normal 440 minutes school day for as long as that member remains at that worksite. This hold-harmless payment will be paid in equal 20/26 installments.

F. Members of the CTU bargaining unit shall be paid in accordance with the appropriate salary, differential, wage or other compensation schedule set forth in the Appendix.

E. A holder of an earned L.L.B., L.L.D. or J.D. degree shall be considered equivalent to a Master's Degree and the individual will be placed on Schedule "D." A written three-year future commitment to remain with the District is required prior to placement on Schedule "D."

Section 3. Advancement on Differentiated Schedule and Salary Adjustment.

Formatted: Font: Bold

For purposes of transition to the CDCS Schedule, all teachers will be placed at a level, or between two levels within the CDCS Schedule contained in Appendix . A. Effective Date of Salary Adjustments Due to Academic Credit.

Salary adjustments shall be made on the basis of academic credits earned prior to the start of each semester of the school year. Evidence of credits earned shall consist of official college or university transcripts filed with Human Resources. The filing deadline for the first semester shall be October 1; for the second semester, March 1. (Appendix F.)

B. Graduate Training Credit for Schedules E and F. All graduate hours earned prior to February 1, 1969, which are directly related to teaching will be considered acceptable toward meeting the requirements of Schedules "E" and "F." C. Prior Teaching Experience and/or Military Service.

[HOUSEKEEPING]

Section 4. New Teacher Pre-Service Training. Teachers new to the District are required to report for pre-service training, which is included in their base compensation. The appropriate step and schedule salary as shown includes remuneration for this week of pre-service. Failure to report will result in a loss of pay.

Section 5. Procedure for Payment of Wages.

A. Annual salaries will be disbursed in twenty-six (26) bi-weekly installments. Reductions for services not rendered shall be at the rate of 1/195th-185th for each day out of pay status.

B. Check Compensation Distribution.

1. CMSD will transition from a paper check and electronic compensation payment system to a mandatory electronic compensation payment system. During the 2013-2014 school year, employees who currently receive a paper check will either transition to an electronic funds transfer (EFT), be issued a Pay Card, or a combination of both.

Employees who utilized EFT may also have all or part of their pay deposited on a Pay Card, at their discretion. Once activated, all compensation for all employees will either be automatically deposited to the employee's banking account through EFT or posted to a Pay Card, or a combination of both. Until the new system is activated, eChecks and check vouchers are to be mailed to the employee's home address or made available electronically. All employees must provide Human Resources with a current home address and phone number.

APPENDIX G

Investment Schools

(Per Ohio Revised Code 3311.74)

The CEO shall identify which schools are in need of corrective action ("Investment Schools"). The CEO will also identify what corrective action is warranted at each school and when the corrective actions should be implemented (the "Corrective Plan").

The Corrective Plan will first be shared with the District level Corrective Action Team ("CAT") comprised of four representatives selected by the CEO and four representatives selected by the CTU President. Soon thereafter, the Corrective Plan will be announced to the staff at the Investment School(s).

Where appropriate, the CAT will seek input from the Academic Progress Team ("APT") (see Appendix V) for recommendations on implementation of the Corrective Plan. The CAT, within the timelines set by the CEO, shall collaborate with CATs from other unions where there are overlapping or mutual concerns, prior to making their recommendations to the CEO.

If the CEO disagrees with all or part of the recommendations of a CAT, or if a CAT fails to make timely recommendations on the implementation of all or part of the Corrective Plan, the CEO may implement the Corrective Plan in the manner in which the CEO determines to be in the best interest of the students, consistent with the timelines originally established.

The implementation of the Corrective Plan will be the responsibility of the APT at the Investment School. The CAT will be responsible for regularly monitoring the progress of the Corrective Plan at the Investment School(s) and will make recommendations to the CEO regarding "exit" strategies when the Investment School(s) has accomplished the goals addressed in the Corrective Plan.

The CEO and any CAT are not bound by the applicable provision of this Agreement in developing recommendations for and implementation of the Corrective Plan.

The Corrective Plan is not intended to be used as a cost savings measure; rather, it is intended to improve student performance at the Investment Schools.

SCHOOLS REQUIRING INTERVENTION

~~School intervention in the District is intended to help ensure that the District goal of improving student achievement is attained. For a variety of reasons, schools may fail to demonstrate acceptable levels of performance. Intervention is intended to identify strategies and resources designed to improve performance. Should those strategies and resources fail to produce the desired outcomes, intervention provides a mechanism for reconstitution. Indications that a school requires intervention include, but are not limited to, the indicators listed under the provisions of No Child Left Behind (NCLB) to include the following: Student Achievement, Attendance, School Climate, and Student Discipline as delineated below.~~

ACADEMIC INTERVENTION TEAM

The recommendation that a school is in need of intervention will be made by an Academic Intervention Team (AIT) consisting of four representatives selected by the CEO and four representatives selected by the CTU President. The District will inform the AIT of the resources available for intervention in troubled schools by July 1st of each school year. The Chief Academic Officer (CAO), in accord with the CEO, will provide the AIT a list of schools to be reviewed for possible intervention. In making its recommendation, the AIT will review all relevant district data, observations by administration, observations by the CTU, and other appropriate indicators of school performance, and recommend which schools merit intervention. The AIT may review for possible intervention schools not on the list provided by the CAO. The AIT will make its recommendations to the Chief Academic Officer (CAO) for each school reviewed along with a supporting rationale for each such recommendation, consistent with the resources available. The CAO, in accord with the CEO, will make the final determination of schools requiring intervention from the list of schools reviewed by the AIT.

CRITERIA FOR INTERVENTION

The criteria for intervention include, but are not limited to:

- ❖ Designation of year 4, 5, or 6 of School Improvement Status.
- ❖ Student Achievement.

Clear academic (content) standards, detailing what every student is expected to know and demonstrate mastery of, are essential for a school to determine if they are fulfilling their mission of educating youngsters effectively. The District's accountability system is tied to students' achievement on Ohio's State Graduation or Achievement tests. A school's course of study must be tightly aligned with the learner outcomes measured by the state's graduation and achievement tests in order for students to demonstrate proficiency. Student achievement measures that indicate a school is in need of intervention are defined by the Ohio Department of Education through the NCLB School Improvement process.

- ❖ Attendance (Student/Staff).

Students are more likely to skip school if they feel unsafe or unmotivated. If students do not attend school they cannot learn. Student attendance is a necessary prerequisite for student achievement. High rates of staff absenteeism are also unacceptable. Continuity and stability in instruction are essential for students to learn. The causes of absenteeism, whether student or staff, are often elements of a school's operation that are under its control. Discipline problems, low expectations for students and staff and building safety issues often explain variance in student and staff attendance. Attendance measures that indicate a school in need of intervention would include either of the following:

- Student attendance target acquisition;

- ~~* Teacher attendance rate. (A teacher attendance rate would account for scheduled in-service training, and Family and Medical Leave Act days.)~~

~~❖ School Climate (Staff Attrition).~~

~~In order to provide schools with data concerning their school climate, the District administers a survey that measures responses from staff, students, parents, and the greater community on seven attributes of effective schools. The Attributes of an Excellent School survey (AES) measures the degree to which a school possesses the following attributes:~~

- ~~* Positive school climate that is safe and orderly;~~
- ~~* Parent and community involvement;~~
- ~~* High expectations for staff and student performance;~~
- ~~* Frequent monitoring of student progress;~~
- ~~* Clearly defined mission;~~
- ~~* Continuous planning process;~~
- ~~* Shared leadership.~~

~~In addition to the attitudinal data gathered by the survey, other measures of school climate that would validate the results of the Attributes of an Excellent School survey and indicate a school with a school climate in need of intervention include:~~

- ~~* High rates of staff attrition through requests for transfer;~~
- ~~* Substantiated parental complaints.~~

~~❖ Student Discipline.~~

~~The causes of disruptive behavior and school violence are often elements of a school's operation that are under its control. Meeting the needs of students and addressing their various learning styles is a school wide effort. Developing culturally rich programs, using a variety of resources, linking with social service agencies, reaching out effectively to parents and the community, applying consistent and appropriate consequences for student violations, and holding high expectations for student behavior are all strategies that can act as deterrents to disruptive behavior. Schools that are unable to create a safe and orderly educational environment are presumptively in need of intervention. Indicators of a school requiring intervention may include any of the following:~~

- ~~* High levels of disruption and student discipline problems;~~
- ~~* High rates of staff attrition through requests for transfer;~~

~~a) Substantiated parental complaints.~~

ACADEMIC INTERVENTION PROCESS

~~The Academic Intervention Team will assess those schools it has identified as most meriting intervention, and will recommend the method and scope of intervention within the parameters of the District's resources as allocated for that purpose. The District will provide those resources. After the school's Core Planning Team has met with the Academic Intervention Team, a detailed analysis of proficiency, attendance, and school climate results for the school year will be conducted. Following this analysis, which should point out changes from previous results and building strengths and weaknesses, a recommendation will be made as to whether the school's current Academic Achievement Plan (AAP) will address the school's need for intervention. If the current plan appears sufficient to meet the school's needs, the Academic Intervention Team will commit to specified support roles in assisting the school's implementation of the plan. If the current Academic Achievement Plan is not deemed sufficient to address the school's need for intervention, a plan of action will be created to supplement the strategies already agreed upon in the school's Academic Achievement Plan. The plan of action will outline any changes in the school's Academic Achievement Plan and will specify the Intervention Team's responsibilities in assisting the school's implementation of the revised plan. The plan of action will be created jointly by the school's Core Planning Team and the Intervention Team. Approval by 70 percent of the school's staff is necessary for any proposed modifications to the AAP. Failure of a school staff to approve the proposed modifications to the AAP will not relieve that school of the expectation for improved performance and such failure to improve performance shall result in reconstitution. Academic intervention steps that may be taken in working with a school shall include, but are not limited to, any of the following:~~

- ~~a) Allocation of more academic, financial, and/or other resources;~~
- ~~b) Reduced ratio of pupils to certificated classroom teachers;~~
- ~~c) Amendment of the school's Academic Achievement Plan with a plan of action;~~
- ~~d) Mandatory professional development as determined by the Academic Intervention Team.~~

ACADEMIC INTERVENTION OUTCOMES

~~The Academic Intervention Team will recommend, no earlier than June 1st and no later than July 1st of the intervention year, that one of three outcomes will occur:~~

- ~~o The school has demonstrated improvement by valid statistical data and can move forward with implementation of their AAP. They no longer require intervention.~~
- ~~o The school has not demonstrated improvement by valid statistical data sufficient to move them out of Academic Intervention status, but that the school is on the right track and should be allowed to continue their school improvement efforts and continue to receive support. Professional development opportunities become mandatory for all CTU bargaining unit members.~~

- ~~o The school has not demonstrated improvement and should be reconstituted.~~

RECONSTITUTION

~~The decision of the Chief Academic Officer, in accord with the CEO, to reconstitute a school will be made no earlier than June 1st of each school year, and no later than July 1st. No such decision shall be unreasonable, arbitrary or discriminatory.~~

- ~~1) In lieu of the transfer provisions of the Collective Bargaining Agreement, the following steps shall be taken:
 - ~~a) Each affected certificated CTU bargaining unit member shall be notified no later than July 1st that his/her school has been reconstituted. Included in the notification will be a list of open positions in all schools. Transfers will be made according to the necessary transfer list.~~
 - ~~b) All CTU bargaining unit members and administrators will be cleared from the school. After three years, CTU bargaining unit members may utilize the voluntary transfer process to apply for any open positions in the reconstituted schools.~~
 - ~~c) Human Resources shall fill open positions in order of seniority, as per necessary transfer.~~~~
- ~~2) There shall be no reprisals of staff members from reconstituted schools.~~
- ~~3) A new Principal will be appointed, and that Principal, parents from the school's SPO, and a CTU representative, will re-staff the school through an interview process.~~
- ~~4) The first year a newly reconstituted school operates, it retains all the intervention support services of the previous year.~~
- ~~5) The newly reconstituted school will reopen with a research based model. Teachers will be provided necessary training and support in order to implement the model.~~
- ~~6) Communication of the school's status and new direction to parents and students will be made a priority in order to alleviate concerns, confusion, and possible misconceptions.~~

HIGH SCHOOL SCHEDULING

Beginning with the 2007/08 school year, the schedule of the instructional day as defined by CMSD and CTU will be modified traditional with block throughout all district schools that have one or more of the following grades: 9, 10, 11, and 12.

UNIQUE FEATURES:

1. For freshmen and sophomores, English, math, and science are double periods. Students remain with the same teacher for both periods without a break between periods.
2. Unless double periods for 9th or 10th grade, English, math, and social studies periods are forty (40) minutes.
3. Mods are twenty (20) minutes. Teachers have an additional twenty (20) minutes of unassigned time due to an odd number of Mods.
4. Passing time is four (4) minutes.
5. All one unit classes and electives are a full year.

ELIMINATING ACADEMIC DISPARITY

~~By the conclusion of the 2007-2010 Collective Bargaining Agreement, the current academic disparity between Cleveland Metropolitan School District students and the State of Ohio, as measured by the average of the Third Grade Ohio Achievement Test in reading and in mathematics, will be eliminated. Achievement of this goal will insure that CMSD students have the foundation to be academically successful throughout their elementary and secondary school experience and the ability to move into any post-secondary career or academic program they chose.~~

~~A central component of this academic initiative will be the capping of class size in grades kindergarten through three at twenty students to one teacher. This action will allow for increased instructional focus and the ability to offer necessary differentiated instruction.~~

~~Combined with this capped class size will be research-based and continuing professional development for these primary grade teachers.~~

~~Finally, CMSD and Cleveland Teachers Union will explore other instructional options such as a flexible school day and school year for those students who need these services.~~

Section 12. Teacher Evaluation Policy and Procedure Teacher Development & Evaluation System (TDES)

A. The purpose of evaluation is to improve and/or recognize effective instruction.

B. 1. One result of the 2010 negotiations was an MOU (see Appendix) that outlined the formation of a Steering Committee to design a new system of Teacher Development and Evaluation for CMSD. "The District, (CMSD) and the Union, (CTU) agree that an effective Teacher Development and Evaluation System (TDES) must encompass teacher performance, growth and development and enhance student learning. This can only occur in an atmosphere of trust that promotes collaborative dialogue and enhanced professional practice of all educators in our schools and district." With the support of The American Federation of Teachers, (AFT), CMSD and CTU partnered with the Charlotte Danielson Group of Consultants to develop a new system of development and evaluation for all CTU bargaining unit members; that was grounded in the research-based, "Framework for Teaching." Danielson states, "An effective system of teacher evaluation accomplishes two things: it ensures quality teaching and it promotes professional learning." The MOU delineates that, "this new model of teacher development and evaluation will include multiple measures of teacher performance and student learning."

2. The TDES Decision Cluster document guides the implementation of the TDES system. The TDES Steering Committee may mutually adapt this document as needed.

C. According to ORC 3311.80 and 3319.112, all teachers will receive an Effectiveness Rating each year. 50% of the Effectiveness Rating shall be comprised of multiple measures of student achievement as described in C(1) below and 50% shall reflect the performance as in the observation/evaluation process (i.e. the Teacher Performance Calculation, outlined below). The Effectiveness Rating will be determined at the end of the school year and will be reported to the Ohio Department of Education.

1. Pursuant to ORC 3319.112, three forms of data (teacher-level value-added data, state approved vendor assessment data, and district developed measures which may include student learning objectives) may inform the teacher measure of student achievement. Determining the teacher's 50% measure of student achievement for evaluation purpose shall be calculated in the following manner:

a. Where teacher-level value-added data is available, the teacher's 50% measure of student growth will be 35-% value-added and 15-% student learning objectives (SLOs).

b. Where teacher-level value-added data is unavailable, the teacher's 50% measure of student growth shall be 35-% vendor assessment and 15-% student learning objectives (SLOs).

c. Where no teacher-level value-added data or vendor assessment data is available, the teacher's 50% measure of student growth shall be student learning objectives (SLOs).

d. Certificated/licensed bargaining unit members without directly attributable teacher-level data shall be exempt from the 50% measure of student growth until such time as the related service provider ("RSP") evaluation system is implemented pursuant to Paragraph J of this section. finalized.

Beginning with the 2014-15 school year, the percentages attributed to measures of student growth will be revisited annually and may be jointly revised to reflect the lessons learned, data collected, and changes in the ODE assessment tools and practices with a commitment to making adjustments to the percentages of multiple student growth measures which are most validly and reliably attributable to teacher performance and are based upon the most valid and reliable multiple student growth measures.

D. Effectiveness ratings are reported to the Ohio Department of Education according to ORC 3319.112. The other documentation of observation events are kept in the employee's file and are used to determine areas of strengths, weaknesses, and areas in need of improvement. Observation events will drive the development of a teacher's professional growth plan (PGP) or professional improvement plan (PIP).

A teacher receiving an effectiveness rating of "Accomplished" will be evaluated every two years. The biennial evaluation will be completed in accordance with the above timelines during the evaluation year.

E. All TDES processes and documentation will be completed through the Great Teachers Great Leaders electronic system. No other forms for evaluations shall be used.

F. Pursuant to ORC 3311.80 and Board Policy 2013-3030(B), all evaluators must be credentialed. A list of credentialed evaluators will be forwarded to the CTU President and updated as made available.

G. Appeals process – Following the first formal announced observation event and any subsequent event, a teacher may request the intervention and/or support of the Academic Superintendent within ten (10) working days. The Academic Superintendent will review the evidence regarding the events to date, and may take one or more of the following actions:

1. Co-evaluate the next event or events;
2. Assign a new evaluator to conduct a new evaluation to replace the prior event(s);
3. Uphold the evidence of the event;
4. Provide intervention, including more training, for the evaluator.

The Academic Superintendent shall submit an electronic record of the request, his/her response, and the outcome of the appeal within ten (10) working days.

The teacher may appeal the Academic Superintendent's response to the TDES Steering Committee co-chairs within ten (10) working days. The TDES Steering Committee co-chairs will respond within ten (10) working days.

H. The evaluator and teacher have a shared responsibility to ensure the teacher is evaluated consistent with this Article. The academic superintendents will review evaluation data for their assigned schools and will report incomplete evaluations to the CEO, the CTU President and to the building principals on a monthly basis. In addition, any teacher who is concerned about the timely completion of the evaluation procedure may, at any time, notify the TDES Steering Committee co-chairs in writing. Any incomplete evaluations will be referred to the TDES Steering Committee co-chairs for resolution which could include a compressed evaluation schedule. If a compressed evaluation schedule is not possible, the teacher will be assigned the higher of his/her rolling average of the last three (3) years composite evaluations rankings for the Teacher Performance Data (rounded to nearest whole) or the last year's evaluation ranking for the Teacher Performance Data. If that data is not available, a default performance ranking of "Developing" shall be assigned for the year where data does not exist for the Teacher Performance Data and where there is no documented communication initiated by the teacher with the TDES Steering Committee co-chairs to timely remedy the lack of any evaluation event under this Article. Where the teacher has initiated, in writing, communications with the their evaluator, and if the concern persists, in writing with the TDES

Steering Committee co-chairs advising that an event has not been completed in a timely manner in accordance with this Article, and where there is no Teacher Performance Data available, a default performance ranking of "Proficient" shall be assigned for that year. This ranking will be combined with the student growth measures for the year to establish the Effectiveness Rating.

The timelines and/or procedures in this Article may be modified with the agreement of the TDES Steering Committee co-chairs for resolution to accommodate the evaluation of a teacher with missing evaluation data.

Where the teacher does not have student growth data (e.g. returning from a leave of absence), the default will be the higher of his/her rolling average of the last three (3) years of student growth data (rounded to nearest whole) or the last year's student growth data. In the event the student growth measures do not exist, the TDES Steering Committee will address the situation.

I. Beginning with the 2013-2014 school year, the TDES Steering Committee-2.0 (see Appendix) will convene monthly to monitor the implementation of TDES, including data collection and outcomes, communications, appeals, training, and any other aspect requiring review. The Steering Committee will regularly report to the CEO and the President of the CTU.

J. The TDES Steering Committee will establish an *ad hoc* committee to implement a related service provider development and evaluation system composed of an equal number of CTU members and administrators appointed by the TDES Steering Committee Co-Chairs. The TDES Steering Committee will set a timeline for this committee to develop an evaluation system for related service providers commensurate to the TDES system that will include both announced and unannounced observations, walkthroughs and multiple measures of student growth that reflect the professional work of the related service providers. The development of this system will be completed and implemented by the 2014-2015 school year with the understanding this timeline coincides with Articles 19, Layoffs and Recalls for Teachers, and 30, Wages and Benefits. The CEO and CTU President have the authority to mutually agree to extend the timeline for implementation and transition.

K. The TDES Steering Committee will establish procedures for evaluating "teachers on assignment".

Section 3. TDES TIMELINES/PROCEDURES

A. Prior to their first evaluation event, teachers new to CMSD will receive a minimum of six (6) hours of training (Introduction to Framework for Teaching). A minimum of six (6) additional professional development hours will be provided at the building and/or District level, which may include an Introduction to the TDES Process.

B. No evaluation or conference will be scheduled on the last day of the semester unless unusual conditions exist.

C. Beginning with the 2013-2014 school year, each teacher (without regard to continuing or limited contract status), will undergo five (5) formal observation 'events' consisting of three classroom walk-throughs and two formal classroom observations. One formal observation will be announced and one formal observation will be unannounced. A fourth walk-through may be requested by either the teacher or the evaluator. However, the fourth walk-through is optional and must be agreed upon by both the teacher and the evaluator. The process concludes with a final composite evaluation that reflects the final effectiveness rating.

1. One walk-through and the formal announced observation will occur during the first semester. Two walk-throughs and the formal unannounced observation will occur during the second semester. (See App. ____).
2. A walk-through is a short classroom visit of five (5) to fifteen (15) minutes. Following the walk-through, written feedback will be provided. The teacher may add additional evidence. The teacher may request a follow-up conversation if he/she feels it is necessary. However, the teacher is not required to respond to a walkthrough and a follow-up conversation is not mandatory.
3. A formal announced observation includes a pre-conference, formal observation, and post-conference. The formal, announced observation will occur within a ten (10) day cycle. Throughout the process, the evaluator will collaborate with the teacher to establish the time for the pre-conference, observation, and post-conference.
 - The ten (10) day window begins when the evaluator and the teacher meet for the pre-conference.
 - Once the pre-conference has been scheduled, the teacher will create and upload the lesson plan.
 - The evaluator will review the lesson plan prior to the pre-conference. The evaluator can also request further details or make suggestions prior to or during the pre-conference.
 - The observation will be a minimum of thirty (30) minutes.
 - The evaluator will document evidence during the observation.

- At the conclusion of the observation, the teacher will receive electronic notification that the evidence is complete and has been submitted.
 - The teacher will review the evidence and may add additional evidence to create a richer and fuller record of the lesson.
 - The teacher will submit a self-evaluation of the lesson. The evaluator will then mark areas of agreement with the self-evaluation.
 - The teacher and evaluator will meet for a post-conference to discuss any discrepancies in the self-evaluation and the observation evidence. The post-conference will also capture evidence of the off-stage elements.
4. A formal unannounced observation does not include notification of the observation, the TDES lesson plan, nor a pre-conference. The formal unannounced observation will occur within a ten (10) day cycle.
- The evaluator conducts an unannounced observation.
 - The observation will be a minimum of thirty (30) minutes.
 - The evaluator will document evidence during the observation.
 - At the conclusion of the observation, the teacher will receive electronic notification that the evidence is complete and has been submitted.
 - The teacher will review the evidence and may add additional evidence to create a richer and fuller record of the lesson.
 - The teacher will submit a self-evaluation of the lesson. The evaluator will then mark areas of agreement with the self-evaluation.
 - The teacher and evaluator will meet for a post-conference to discuss any discrepancies in the self-evaluation and the observation evidence. The post-conference will also capture evidence of the off-stage elements.
5. Each year, teachers will receive a Teacher Performance Calculation based on the preponderance of the evidence presented from the five (5) formal observation 'events' reflecting a level of attainment and sustainment of teacher performance. ~~reflecting a level of attainment and sustainment of teacher performance.~~ If a person has a "tie" between proficient and

accomplished, the related power components will be a "tie-breaker". "Power Components" are the foundational skills listed as components in Domains I, II, III and IV that are considered to be fundamental to teaching. The overall "Accomplished" rating is reserved for those teachers who do not have any (a) "Ineffective" component ratings within the composite or (b) "Developing" component ratings within the composite.

D. Beginning with the 2013-2014 school year, all other bargaining unit members (e.g. guidance counselors, school psychologists, paraprofessionals, and other related service providers) (without regard to contract status), will undergo two (2) formal observation 'events.'

1. During the first semester, the professional will collect evidence of Domains 1 and 4, which report and describe his/her regular practice.
- The evaluator will notify the professional of the date evidence must be submitted and the date of the evaluation conference.
- Following the evidence submission, the professional self-evaluates on the appropriate rubric and submits the self-evaluation.
- The evaluator reviews the evidence and the self-evaluation and marks the areas of agreement. The evaluator may add additional evidence or request additional information.

The evaluator will meet with the professional for a conference. At the conference, the evaluator and the professional shall discuss any discrepancies in the self-evaluation and the evidence submitted.

2. During the second semester, the professional will collect evidence of Domains 2 and 3, and the above process will be followed.
3. At the end of each year, following the second observation event, the evaluator will schedule a composite conference.
 - The professional will submit a summative self-evaluation rating document.
 - The evaluator will review the summative rating document and mark areas of agreement.
 - During the composite conference, the evaluator and the professional will discuss discrepancies. The professional may bring additional evidence to the composite conference.
 - The evaluator will create a Professional Development Plan to facilitate growth or improvement for the following school year.
4. The evaluator will create a final composite evaluation no later than June 1st.

A. ~~—— The purpose of evaluation is to improve and/or recognize effective instruction.
[Moved to Section 2A above.]~~

~~1. Teachers on limited contract may be evaluated no more than once per semester, except as stipulated below.~~

~~2. Teachers on continuing contract may be evaluated no more than once per year, except as stipulated below.~~

~~—— If the evaluation is unsatisfactory, the teacher may be subject to further visits and evaluations. Any teacher may request additional evaluations at any time and the appropriate administrator shall comply within ten (10) working days.~~

~~—— B. The "Principal's Composite Evaluation" form shall be signed by the indicating that a conference was held; the teacher has seen but not necessarily agreed with the evaluation; and that a copy of the form has been given to the teacher. This assessment instrument may be replaced during the term of this Agreement by a revised assessment instrument developed by written mutual agreement of the CTU and the District. Recommendations may be made by a committee comprised of five (5) District administrators and five (5) individuals selected by the CTU.~~

~~—— C. When a teacher is visited by a Principal or District personnel who are allowed to evaluate under House Bill 330 or who hold current teacher supervisory certification/licensure from a state other than Ohio, and who are working toward supervisory certification/licensure in Ohio, and who are designated by the Chief Academic Officer for the purpose of evaluation, an "Individual Visit Evaluation" form shall be completed, and a copy provided to the teacher and school Principal.~~

~~—— D. Department Heads and Supervisors/Curriculum Specialists will be assistance and support resource people for Principals or teachers but will not engage in the formal process of evaluating teaching personnel. Such personnel will provide assistance and support including, but not limited to, observation, demonstration lessons and feedback. This paragraph does not apply to administrators who are certified and/or employed to supervise school psychologists, nurses, or adult education teachers.~~

~~E. No other forms for evaluations shall be used. [Moved to Section 2 E above.]~~

~~F. A pre-evaluation conference will be held before formal evaluation at least two (2) working days prior to evaluation. Post evaluation conferences will be held within ten (10) working days after the evaluation and with at least two (2) working days' notice. Composite evaluation conferences shall be scheduled with at least two (2) days' notice and shall not, unless unusual conditions exist, take place on the last day of the school year (*Appendix M*).~~

~~G. No evaluation or conference will be scheduled on the last day of the semester unless unusual conditions exist. [Moved to Section 3B above.] The evaluation conference schedule shall be provided to teachers at least two (2) weeks before the end of the school year.~~

Section 4. Professional Growth and Improvement Plans.

Beginning with the 2014-2015 school year, pursuant to ODE's evaluation framework under ORC 3319.112, all teachers and other professionals will either be on a Professional Growth Plan (PGP) or a Professional Improvement Plan (PIP). A rating of Ineffective in one or more of the power components may trigger interventions to assist teacher development of improved practice. For CMSD classroom teachers, the nine (9) power components have been identified as: 1c.e, 2b,c,d, 3c,d and 4b.c. (See Appendix, Decision Cluster 6.)

Section 4. Local Professional Development Committee

~~For meetings of the Local Professional Development Committee (LPDC) held outside the regular school day, bargaining unit members shall be compensated at the Professional Development (In-Service Instructor) rate. [Moved to Article 8]~~

Section 5. Mentoring

With the agreement of the CEO and the CTU President, implementation of this section will be phased in beginning as early as possible in the ~~2000-01~~ 2013-2014 school year.

A. ~~Teachers, active or retired,~~ will be selected by the ~~Principal and UCCPAR~~ Governing Board (in consultation with the Principal and the UCC) with written mutual agreement to work with their new colleagues in a mentoring capacity during the course of the school year. These mentors will receive Resident Educator or Mentoring Training.

B. Those teachers will be provided with an opportunity to take part in the new teacher orientation as set out in Article 2, Section 6(B) of the Agreement. Mentor teachers who agree to attend the two days of new teacher orientation conducted in the assigned building shall be paid at the Professional Development (In-Service Instructor) rate for their hours of attendance.

C. The District shall offer thirty (30) hours of programs for teachers new to the District over the course of the school year, to be scheduled by the ~~Regional Academic~~ Superintendent. Twenty (20) hours of these programs (half Educational Research and Dissemination Programs [ER&D]), half District scheduled) shall be mandatory. The remaining ten (10) hours shall be voluntary and may include Resident Educator requirements. Those teachers who serve as mentors shall be involved in sessions as well. These sessions shall be devoted to small group meetings to review how the year is going to that point and to discuss common problems and to look for common solutions. One-half of the programs shall be used to implement the ER&D Programs. Attendance at the ER&D Programs is encouraged but voluntary for mentor teachers. The rest of the sessions are mandatory. The CTU will develop and implement this portion of these programs. Mentor teachers and ER&D trainers shall be paid at the Professional Development (~~In~~hi-Service Instructor) rate and the mentee teachers shall be paid at the Professional Development (In-Service) rate for each hour of such attendance. Bargaining unit members serving as mentors shall have the option of earning Continuing Education Units (CEUs) instead of receiving monetary compensation.

D. New teachers will be released two (2) days during their first semester in the District and one (1) day during their second semester in the District. These released days will be used to observe and collaborate with experienced teachers. If the Principal determines that released time is necessary for the mentoring teachers as part of their mentoring efforts, such released time may be granted. Teachers new to the District may be assigned extra time to observe and collaborate with experienced teachers with class coverage provided.

E. The Race to the Top CTU / CMSD Induction Committee may make recommendations to change the Mentoring / Induction program to the CTU President and CEO. Recommended changes may incorporate the ODE's Resident Educator requirements.

Section 6. Peer Assistance and Review Program

~~Beginning in the 2007/08 school year, the CTU and CMSD agree to establish, as a component of the Teacher Incentive Fund Grant (TIF), a Peer Assistance and Review program. (Appendix P.) The focus of this program will be to promote and encourage excellence in the teaching profession. The overall goal of the program is to improve teacher effectiveness and to insure the educational success of students in the district by providing a fair and impartial intervention and assistance procedure.~~

A Peer Assistance and Review Program ("PAR") will support teacher development and evaluate teacher effectiveness. Any modifications made to the current PAR system in order to align and support the current TDES system, will be developed through the TDES Steering Committee and recommended to the CTU President and CEO for approval.

Section 7. Grievances

A teacher may challenge any violation of the evaluation procedures in accordance with the grievance procedure in Article 6. The grievance will be limited to the determination of procedural errors that have resulted in substantive harm to the teacher and to ordering the correction of procedural errors. The failure of the board or evaluator to strictly comply with any deadline or evaluation forms under this Article shall not be cause for an arbitrator to determine that a procedural error occurred, unless the arbitrator finds that the failure resulted in substantive harm to the teacher. The arbitrator shall have no jurisdiction to modify the evaluation results, but the arbitrator may stay any decision taken as a result of the evaluation pending the board's correction of any procedural error. The board shall correct any procedural error within fifteen business days after receipt of the arbitrator's determination that a procedural error occurred.

[MOVED TO ARTICLE 10] ARTICLE 10 SCHOOL ORGANIZATION AND TEACHING ASSIGNMENTS

Section 2. Lesson Plans

A. Lesson plans should be considered as a guideline for effective instruction. Therefore, it is essential that teachers maintain substantive daily lesson plans which will provide a framework for such instruction. Substantive lesson plans include, at a minimum, aims and goals for student learning/achievement which parallel the District's ~~course of study~~ Scope and Sequence; daily, weekly and instructional unit objectives correlated to the District's ~~Course of Study~~ Scope and Sequence, including timelines set by the District, and assessment tools. Teachers are not required to recopy or otherwise duplicate information contained in the ~~Course of Study~~ Scope and Sequence or timelines into their lesson plans. ~~Teachers shall be evaluated on the basis of the effectiveness of classroom instruction, but repeated failure of any teacher to maintain appropriate substantive lesson plans shall also be considered in overall teacher evaluation.~~ [This language is addressed in the TDES Article.]

B. ~~In the interest of assisting new teachers, weekly lesson plans should be submitted to their department head or school administrator. It is important that the lesson plan be considered one of the many tools for effective classroom instruction. [This language should be reviewed for accuracy.]~~

C. An emergency lesson plan must be left with either the appropriate department head or administrator to be available for substitutes to facilitate instruction when the regular teacher is absent. This emergency lesson plan shall contain the basic information necessary for the substitute to carry on during the teacher's absence.

D. The regularly assigned teacher should not be expected to submit lesson plans when he or she is absent for one week or more due to illness or family emergency. For non-emergency absences, teachers are required to leave lesson plans with the appropriate department head or administrator prior to any absence, unless otherwise approved by the Principal. The regularly assigned teacher, department head and/or administrator should use discretion in the making of arrangements to continue a program of instruction.

E. Duplicate sets of lesson plans are not necessary and need not be prepared.

- Certify that CMSD has the resources to implement and sustain this program.
- Create a calendar of scheduled meetings of the JOC.
- Have the ability to consult with external experts to advise in the proceedings, discussions and decisions.

- o One of the *ad hoc* committees will be assigned to investigate the correlation between the observations and measures of student growth and develop a plan to strengthen that correlation. The *ad hoc* committee's recommendation will be forwarded to the JOC. The JOC will determine whether and how to implement use the *ad hoc* committee's work to determine a teacher's movement on the schedule where the teacher's student growth measures are below expected level.

Principles of the CDCS

Effective July 1, 2013, CMSD will implement a financially and fiscally responsible and sustainable differentiated compensation system as mandated by Revised Code 3311.78. CMSD and CTU agree that a differentiated compensation system must be developed based upon a collaborative partnership rooted in a desire to improve student achievement and to enhance the teaching and learning environment for faculty, staff, and administrators.

CMSD and CTU agree to commit the necessary time and resources to ensure the successful design and implementation of the differentiated compensation system. CMSD and CTU with the support of the American Federation of Teachers (AFT), and other external experts and researchers will continue to develop the implementation of the model for differentiated compensation set forth in ORC 3311.78 to be continuously and improved to meet the needs of the CDCS system to meet the needs of students and all stakeholders.

The fundamental belief that instructional excellence is an integral part of student achievement is the heart of CDCS. CMSD and CTU are committed to rewarding work of best and brightest in the profession, and therefore must treat teachers as professionals and give teachers the choice and opportunity for sustained professional growth.

CDCS will be based upon the provisions of Revised Code 3311.78 and the following core objectives:

1. Increased student achievement evidenced by growth, college, and/or career readiness.
2. Development teaching and learning through effective individual, team, and school-wide practices.
3. Creation of pathways for individuals who take on challenging assignments, high-needs positions, additional duties, demonstrate specialized skills, and/or participate in activities that meet student, school, and district needs.
4. Recruitment, retention and pairing of highly effective teachers and leaders to appropriate school and/or program settings.
5. Management of fiscal and program sustainability.
6. Strengthen and support IDES performance evaluation.

New Career Pathways

This agreement introduces a number of new terms. This system includes five new "Tiers" for educators:

1. Resident;
2. Professional;

3. Specialist;
4. Leader; and
5. Expert.

Four new career “Pathways” are designed around Instruction, Curriculum, Student Support, and Research and Assessment. While each pathway’s initial design elements are defined, more opportunities within each pathway will be developed and made available through the ongoing work of the JOC. These pathways will be reviewed and revised periodically.

Professional advancement is reflected by the accumulation of ACs. When teachers accumulate 15 ACs they move one “Level” along their career path. When a teacher completes all Levels in the Resident or Professional Tiers, the teacher will move to the Professional or Specialist Tier, respectively.

Positions in the highest tiers—Leader and Expert—will be stipend-based positions based on a comprehensive application and review process determined through the work of the JOC. ~~At the appropriate personnel selection committee (appointed by the JOC) will select members for Leader and Expert positions to the CEO or designee. [22].~~ Leader and Expert Tier positions describe the unique work focused on school and district activities and support and may be limited based on the educational needs of CMSD. The roles in the Leader and Expert Tiers may be reviewed periodically. Assignment to and retention in these tiers is based upon performance and District needs.

During the 2013-14 transitional school year all teachers will be placed in the instructional career path at a level and tier commensurate with not lower than each teacher’s current wages and within the Resident, Professional or Specialist Tier. ~~Each teacher will be placed at a tier and level immediately above their rate of pay measured on July 2, 2013.~~ Pursuant to House Bill 525, no teacher’s wages will be reduced as a result of this transition.
